### Métodos de ordenado y filtrado de pacientes

The screenshot displays a user interface for managing patient data. At the top, there is a search bar labeled "Buscar..." and a dropdown menu set to "Ninguno". To the right of the search bar are icons for a magnifying glass and a sorting arrow. Below these are two additional dropdown menus labeled "Ordenar" with up and down arrows, and a button labeled "Fuera de Planta".

Below the header, there is a list of eight patient entries, each represented by a colored gradient bar (blue, green, yellow) followed by the patient's name, NUHSA number, bed number, and ID. The second entry, "Juan Pérez", has a plus sign icon to its left.

A dropdown menu is open over the "Ordenar" button, listing three sorting options: "Orden alfabetico", "Fecha de acceso", and "Fecha de creación".

# No pierdas más tiempo buscando se acabaron las búsquedas interminables

The image shows a user interface for a patient search system. At the top, there is a search bar containing the letters "Ju", a dropdown menu labeled "Nombre" with a downward arrow, a green circular search icon with a magnifying glass, and sorting icons for "↑" and "↓". To the right of these are "Ordenar" and "Fuera de Planta" buttons. Below the search bar is a large, semi-transparent plus sign button. To its right is a results card for a patient named Juan Pérez, featuring a blue-to-green gradient header. The card displays the following information: Name (Juan Pérez), NUHSA number (NA 58386840), Bed (Cama: 1), and ID (ID: 1).
